Subject: Project Sanction under BUILD Scheme-2020

Dear Mr. Naveen Kumar,

In response to your proposal submitted to IIT Hyderabad under BUILD Scheme-2020 (**Bold and Unique Ideas Leading to Development**), we are happy to inform that your project entitled **iV4V (Intelligent Voice for Vision) - An intelligent and reliable audio assistance for visual impairment using AI** has been selected for implementation with the following guidelines.

1. Duration: 1 August 2020 to 31 January 2021.
2. Budget: ₹90,000 (Rupees Ninety Thousand only) has been sanctioned for the Project. No funds will be provided after the above mentioned period. Unutilized funds shall automatically be transferred to Institute at the end of the Project.
3. Advance: You are allowed to draw an advance of ₹10,000 (Rupees Ten Thousand only) at any given point of time during the Project period. No advance is allowed, until the advance amount taken by you is settled.
4. Review: Project progress review meeting will be conducted by the end of October 2020, during which the project progress report should be submitted along with a presentation.
5. Reports: At the end of the project, the final project report is required to be submitted along with project demos and presentation.
6. In case, the Project Lead is unable to continue with the project, he/she will have to identify a Project Lead from the team members with the approval of Dean (Students), IIT Hyderabad.

All the best for the successful completion of the project.

Warm Regards,

Director
